Holiday Friends and Storm Buddies

As winter and the Holiday Season approach, we begin to think about gathering with friends and being safe when winter storms hit. PCV has programs that deal with both of these concerns:

- Our **Holiday Friends** program, under which members invite a fellow member or two, who might otherwise spend the day alone, for a Thanksgiving feast, or a meal marking another of the season's holidays.
- Our **Storm Buddies** program, for members who would like a phone call to check on their well-being when the weather turns frightful – snow, ice, power outages, etc.

Members who would appreciate an invitation, want to be a host, would like to get a phone call when it snows, or just want to know more about either or both of these member programs, please call us at 240-221-1370.

Thursday, November 15, 7-9 pm at the Potomac Community Center 11315 Falls Road, Potomac
